By virtue of the solemn promise I have made before the nation and the world, the country is resuming its course under the straight and inflexible provisions of the fundamental chart of the republic, and this within such a peremptory time necessarily so sets in relief before persons not actuated by passion the indisputable good falth and the unexcelled good will with which the government has been making ef-forts to reinstate the supremacy of

Equilibrium Disturbed.

Equilibrium Disturbed.

"The embodiment of our political structure having as a base a perfect equilibrium among the three powers by means of which the people exercises its sovereignty, it can be easily understood to what extent of difficulty we would be described by the least interrupcould be dragged by the least interrup-tion or alteration of this equilibrium. The very moment that any of the three powers should go beyond the boun-daries limiting their activity, the prov-ince of action of the others would necessarily be invaded, and constitutional functions would be altered, thus menneing the life itself of the political state, and urless that the trespassing be brought without delay to its exclusive province of action, it has to cause against the other powers in-vaded a defensive reaction, the vigor of which is, and must be, proportionate to the gravity or frequency of the infractions. This situation appeared be-

refer to the attitude principally of the House of Representatives, which afforded the other two powers, but preferably the executive, whose action Coats, for girls, and your the aforesaid assembly endeavored to coats for girls and prevent and defraud. The House, on account of the assemblage of certain ients, became a focus of insurrec-, a barefaced agency of the rebels. It endeavored to prevent every ef-t of the government, aggressively ending not only the province of the udicial power, but that of the execu-

liaving come to this extreme, the government, under my direction, had ce this painful dilemma, the depeople to come before the poils in order that it should express its ultimate and sovereign desire; and it being impossible to hesitate before such a situation, the executive adopted the expression of the executive adopted the executive ad

people to come before the polls in or formal people to come before the polls in or care that it should express its ultimate possible to be with expression and the possible to be with the possible to be bestiate before such a stiff members and dissolved Congress.

Huertir Fast Losing Control.

Washington, Nevember 20.—The Washington government believes the Fower of the Huerta government is slowly "crumbling and disintegrating."

No positive steps have been taken by the administration here within the last few days to compel a compliance with the demands for the elimination of Huerta.

No preparations have been made for a blockado of Mexican ports, such as has been variously reported.

Foreign interests generally will be protected by the United States, and at Tuxpan, in particular, effort will be made to protect British interests pending the arrival of the British cruisers.

The sending of the British cruisers, and at the White House that in the parleys between General Carranza and William Bayard Hale no effort was made to map out plans for the future, Mr. Hale's mission was described as one merely designed to learn what was he they was he they was he they with an annual content of the coming of the coming of the coming of the British cruisers.

BROTHERS DO NOT MEET

Friends Still Hope Reconciliation Will Materialize.

[Special to The Times-Dispatch.]

New York, November 29.—The reconciliation that their friends have been trying to effect between General Bramwell Booth and General Ballington Booth, brothers, did not materialize to-day. The former was busily engaged in addressing 1,200 Salvation Army captains, and the latter was visiting friends on Long Island.

To visitors General Bramwell Booth amounced that he had sent a letter to his brother asking the latter to meet him as a brother, it was learned from General Ballington Booth's secretary at the Volunteers of America headquarters that a mutual friend of the two had sent a letter Wednesday evening to each of the brothers asking them to be his guests at a private dinner.

In behalf of General Bramwell Booth

Miss Pankhurst Gets Away After De-livering Inflammatory Speech.
London, November 20.—Miss Sylvia Pankhurst again cluded arrest after having delivered an inflammatory 'no-rent' speech at Canningtown to-night. About fifty policemen were waiting outside the hall, but Miss Pankhurst came through the main entrance sur-rounded by a strong guard. She reached her motor car and got away.

Adjourns Indefinitely.

Philadelphia, November 20.—The luterstate Commerce Commission's investigation into rates and practices of the anthracite coal roads was to-day adjourned indefinitely, owing to the sudden fillness of Commissioner John H. Martile, who has been presiding. Mr. Marble twas seized with an attack of acute stion last night.

Bellion, November 20.—The hability of Lloyds for shipping losses during the recent storms on the Great Lakes is calculated at \$7,500,000.
